Subject: Tentative Tower Standard field schedule

Hi Chris,

Below is the schedule for activities at the site next week. As you well know, things can get switched around as necessary. Hopefully the borings will not take the full time allotted.

PLEASE NOTE THE EPA AND CONTRACTORS ARE RECEIVING THIS EMAIL

Bob,

Our rough schedule is as follows:

Monday March 28 – Travel day

Tuesday March 29 – Site walk, groundwater sampling in the morning, meeting with LDF in afternoon

Wednesday March 30 – Soil borings

Thursday March 31 – Soil borings

Friday April 1 – Soil borings

Saturday April 2 – Sub-slab vapor and ambient air sampling (start of 24-hour sample period)

Sunday April 3 – Complete ambient air sampling and groundwater sampling

Monday April 4 – Travel day

--Matt
